O3Hub News!

Lots of exciting buzz this week as Westmead Hospital’s O3 Hub nears completion!

Etiquette Session

- The Finance, Clinical Governance and Procurement teams conducted an activity mapping exercise to plan the rules of the New Ways of Working (NWOW) space.
- Decisions included where you can eat, where to take phone calls as well as how long you can leave your belongings unattended at a desk.

Clinical Board Visit

- Senior Western Sydney Local Health District staff visited O3Hub to learn more about how the space will operate.
- Feedback on the new zone was positive with particular focus on the robust ICT functionality.

NWOW Wizards Visit

- Our Wizards will be assisting with the transition process into NWOW.
- Starting next week, the Wizards begin assisting the orientation of staff into O3Hub.

The new O3Hub kitchenette area.
Finding your way around the Westmead precinct can be a challenge.

A workshop was held this month where participants reviewed early concept designs of outdoor and indoor signage for the new hospital building.

New Westmead Hospital Staff Room

- Beside the WECC is a new staff room designated for Westmead Hospital staff which will opening in mid-August.
- The new staff room is fully equipped with kitchenette facilities and seating.
- It replaces the old lunch room space on level 1 and temporary lunch room spaces for Westmead Hospital staff.

Pop-Up at WIMR: Last Wednesday members of the project team alongside representatives from JBS&G and Multiplex visited Westmead Institute for Medical Research (WIMR) to answer questions from staff about upcoming preparation works for the central acute services building construction.

Consumers Focus on Wayfinding: Consumers, Westmead Redevelopment project team members and an architects from HDR at a wayfinding workshop.
