We congratulate Westmead Hospital’s Crown Princess Mary Cancer Centre (CPMCC) who officially opened a new, state-of-the-art linear accelerator (LINAC). This revolutionary technology is used to target tiny tumours.

The new LINAC machine is part of Westmead Hospital’s Capital Works program, which replaces major pieces of ageing medical equipment.

We’re encouraging all staff, patients, students and visitors to take part in answering our Westmead Redevelopment Arts and Culture Questionnaire. This will help us define how to best represent Westmead now and in the future.

To complete the survey, click this link or copy it in to your web browser: [http://bit.ly/2wCGn9h](http://bit.ly/2wCGn9h)

The Children’s Hospital at Westmead’s inaugural Father’s Day was held last week. Representatives from the Westmead Redevelopment and Multiplex visited children to deliver gifts and participate in fun activities for the day including Father’s Day tie making, ceramics painting and face painting.

Pedestrian Pathway Changes

- From Saturday, 2 September, there have been changes occurring to pedestrian pathways around car park P6. This work is to connect Institute Road with Dragonfly Drive.
- Traffic control and directional signage will be in place for the duration of these works.
- Vehicle and pedestrian access will be maintained at all times.
- Please obey the instruction of all traffic control and stick to all marked pathways.
- Questions? Contact the Westmead Redevelopment project team on 1800 990 296 or email WSLHD-WestmeadProject@health.nsw.gov.au
The Parramatta Light Rail team will be visiting Westmead in September to speak to staff, patients and visitors about the next phase of planning and works for the new light rail project. Light Rail’s Environmental Impact Statement (EIS) is now on public exhibition, check out the website to learn more: http://www.parramattalightrail.nsw.gov.au/

Where and When:

- Westmead Hospital, John Loewenthal Auditorium, Tuesday, 5 September 12-1pm.
- The Children’s Hospital at Westmead, Lorimer Dodds Lecture Theatre, Thursday, 14 September, 11am-12pm
- Information on public community session can be found here: http://bit.ly/2gauAZJ

Would you like to know more about light rail coming to Westmead? Contact the Westmead Redevelopment project team on 1800 990 296 or email WSLHD-WestmeadProject@health.nsw.gov.au
Precinct Works

- Boom gates at the front Mons Road are active, please use your staff pass to swipe in to access staff parking.
- Car parks currently available* for Westmead Hospital staff.
- Areas under construction.
- Demolition of old cooling towers commencing in this location. Please expect changes.
- Traffic conditions changes continuing in this location. Please allow extra time coming to and from the precinct.
- There is alternate building access into the Kids Research Institute until October 2017. Signage is in place.
- B6 construction site establishment and testing.
- ENT audiology site establishment and hoarding occurring.

*Major changes to parking will continue throughout 2017. We will provide information about future changes in the weekly Westmead Redevelopment project update.
