

We're moving

Westmead Hospital's geriatrics unit is moving from D4c to D4a on **Wednesday, 30 May 2018**.

This relocation will make room for the expansion of the behavioural management unit in D4c, which is part of the Westmead Hospital refurbishment program.

Impact for patients

Patients in D4c will be relocated to D4a on Wednesday, 30 May 2018.

Staff will help patients who are relocating on the move day. This will include packing and relocating personal belongings to D4a and ensuring meals and showers are scheduled at the appropriate time.

Removalists will be assisting staff to relocate stores and equipment. Please take care in and around the wards. If you do not need to be in these areas, please postpone your visit during this peak period.

We appreciate your patience and assistance.

Phone numbers

The relocated unit's phone numbers will remain the same.

D4a phone number:

- 8890 6839

D4a fax number:

- 8890 3674

D4a nurse unit manager:

- 8890 6840
- 0422 004 833

Westmead Redevelopment refurbishment program

The refurbishment program is transforming more than 30 per cent of Westmead Hospital's clinical areas between 2017 and 2022. Stage 1 of the program has been completed and planning is underway for stage 2, with construction to start soon.
