Linkway upgrade works — alternative access

The linkway between the Westmead Education and Conference Centre (WECC) and the Westmead Centre for Oral Health on level 2 is being upgraded.

Pedestrian and buggy access through the linkway will be maintained during the day.

Work will be undertaken between 6pm — 6am. During these hours, staff, patients and visitors must use the level 1 connection (see map above). Please follow signage.

There will be extra security and lighting around the alternative pedestrian route after-hours (see map above). After 10pm, intercoms will allow access through the locked doors.

Westmead Hospital Security is available 24/7 on 8890 7625 if you wish to be escorted.

This work is part of the hospital’s refurbishment program and is expected to be complete in mid-February 2018. We apologise for any inconvenience during this time and thank you for your patience as we upgrade important infrastructure across Westmead Hospital.

If you have any questions, contact the Westmead Redevelopment team on 1800 990 296 or email WSLHD-WestmeadProject@health.nsw.gov.au
