CAUTION: slow down around Westmead

There have been reports of cars driving above the 20km/hour speed limit within the Westmead precinct.

The speed limit within the Westmead car parks, Westmead health precinct and Cumberland Hospital is 20km/hour.

With increased construction activity across the precinct, as part of the Westmead Redevelopment project, there are more people, cars and construction vehicles on our roads and footpaths and it is critical we ensure the safety of everyone.
